23 Things They Dont Tell You About Capitalism Ha-Joon Chang boken PDF

"There's no such thing as a free market. Globalization isn't making the world richer. Poor countries are more entrepreneurial than rich ones.

This fact-packed book about money, equality, freedom and greed proves that the free market isn't just bad for people it's an inefficient way of running economies, too. Here Chang lays out the alternatives, and shows there's a better way."
